

June 2010

To Parents of Pupils in Form 4

Dear Parents

Please find enclosed a copy of your daughter's end of year report. This is the culmination of a lot of hard work and is designed to enable you to gain a picture of what has been achieved so far, with some pointers, perhaps, about ways to make further improvement. I hope this has been a successful year for your daughter at Strathearn and that her report gives you good encouragement.

Parental Interviews – Tuesday 22 June

Following the issue of these reports, teachers welcome the opportunity to meet with parents to discuss their daughters' work and progress. We have set aside an extended session on Tuesday 22 June from 1.50 – 4.00 pm in the Sports Hall when you are invited to come along by appointment, with your daughter, to meet the appropriate teachers. You should ask your daughter to make appointments with any teachers you may wish to see and we would ask you to allow no more than ten minutes per interview. Clearly it would be helpful if your daughter could arrange your interviews with a minimum waiting time between each.

School Calendar

You will also find enclosed a school calendar with all the relevant dates and holidays for the forthcoming year and I would ask you to make a special note of these before planning any family holidays.

Last Day

School will finish at 12 noon on Wednesday 30 June and buses will be available at this earlier time.

Start of New Term

The first day of the new school year is **Monday 30 August 2010**, starting at 10.00 am and finishing at 12.50 pm.

Please also find enclosed a card to express our most sincere thanks to everyone who has contributed to the Uganda Appeal over the past two years. Pupils, staff and friends of Strathearn have raised the necessary funds to build a primary school on the outskirts of Kampala, Uganda; this was a tremendous effort by all.

Thank you for the continued support of your daughter at Strathearn and I wish you and your whole family a safe and restful summer.

Yours sincerely

D Manning
Principal
