

March 2010

## To Parents of Pupils in Form 1

Dear Parents

### Forms 1 Parents' Consultation

We are now over half way through your daughter's first year in Strathearn and this is a good time to review progress.

A short report was issued in December to give you a summary of the first term's work and a full report will be issued after the summer examinations in the middle of May. We have therefore set aside an extended session for both Form 1 and Form 2 parents to meet with teachers.

The consultation afternoon will be in the Sports Hall on **Thursday 18 March** from 1.45 pm to 5.00 pm and an appointment system is used. You are not expected to meet with all the teachers but you should, with you daughter, choose which teachers you would most wish to meet. Your daughter should then make appointments with those teachers and we would ask you to allow no more than ten minutes per interview. Clearly it would be helpful if your daughter could arrange your interviews with a minimum of waiting time between each.

### Important Dates

- St Patrick's Day on **Wednesday 17 March** – half day (school finishes at 12.50 pm)
- Spring Concert on **Tuesday 23 March** at 7.30 pm
- Term finishes on **Friday 26 March at 12 noon**
- Next term begins on **Monday 12 April** at 8.45 am

Thank you for your continued support.

Yours sincerely

D Manning  
Principal
