

December 2010

**To Parents of Pupils in Form 4**

Dear Parents

**Reports**

Your daughter will receive two reports this academic year. The first in March 2011 will be a Short Report and this will be followed by a Full Report in June following the summer examinations. There will be a Form 4 consultation afternoon on Wednesday 22 June 2011 from 1.50 pm to 4.00 pm.

Recently Form tutors have been reviewing the progress of all the pupils in their Form class. The Year Head, Miss J Gibson, will be in contact with parents of a small number of pupils about whose progress to date we have some concerns. If you have any concerns please do contact your daughter's Form tutor through reception in the normal way.

**School Inspection**

You will have recently received a copy of the report of the Inspection by the Department of Education. We are delighted that the Inspectorate endorsed the many strengths of the school including the very good levels of achievement and the excellent opportunities the pupils have to engage in a wide range of extra-curricular activities. The team commented most warmly on the welcoming atmosphere within the school and on how well they were received by staff and pupils alike. They particularly noted the high levels of motivation and engagement of the pupils towards the school and their learning. I hope in reading the report you will take pleasure from all that we offer and achieve in Strathearn.

**New Build**

Seven contractors have been short-listed to tender for the work with an estimated cost of £17 millions. That process is on-going and we now have a start date of early March. We continue to be excited at the prospect and are preparing for the necessary alterations to routine for when the work starts. Further details will follow in the new year.

**Parents' Association**

The Parents' Association have again much planned for the coming year and thank you to all who support their great work and who have contributed to their funds. Their dedication and your co-operation led to a cheque for an outstanding sum of £10,000 being given into Strathearn School funds.

*(continued overleaf)*

This is an amazing sum and one achieved in the context of financial constraints so this makes us doubly delighted. With this money we will be able to purchase portable lighting equipment for Drama as we lose the stage in the Assembly Hall and also equip further classrooms with digital projectors. This equipment will greatly enhance the provision for the girls and please do continue to help the school by supporting the Parents' Association.

### **Study Room (after school use)**

For your information, pupils who wish to remain for a time after school may wait for transport home on the school premises in Room 8. However, I would like to emphasise that pupils who choose to use this facility will be unsupervised and in the interests of safety it is advisable that all pupils are collected in the evening by 5.00 pm at the latest.

### **Access to School**

Thank you to parents who have been adhering to our request earlier this year, not to leave pupils off inside the school grounds in the morning or to park on the double yellow lines around the school gates. However, over the last week we have noted a number of parents using the driveway and making things difficult for other users. Please do adhere to our request to leave your daughter off outside the school grounds.
