There will be car-parking available at the front of the school however, this is purely for dropping off purposes. Once your child has entered the school building we ask that you exit the school grounds via the front entrance.  
**This is the entrance the children will use on the morning of the assessments.**
- 2.2 Whilst you wait for your child to complete the Familiarisation session you are welcome to park in our alternative carparks accessible from Sydenham Avenue. Please respect social distancing guidelines whilst waiting on your child.
- 2.3 On arrival at Strathearn your child will be greeted by Senior Staff and pupils. Please note – no adults will be allowed to enter the building.
- 2.4 The children will be escorted to their test room. They will be seated at the desk they will be using for the tests. The invigilators will talk to the children, explaining the procedures for the test and they will be given practice in filling in the first page of the test booklet (they will not be answering any test questions at this time). Arrangements for the use of toilets, evacuation procedures and how to ask for assistance during the tests will also be explained.
- 2.5 It is envisaged that the Familiarisation session will be over at approximately 4.45 pm. Pupils will be escorted to the exit at the rear of the school where parents should be waiting to collect their child.  
**This is the exit the children will use on the morning of the assessments.**
